Hotcards.com may also receive personal information from our business partners, third-party service providers, vendors and suppliers or your trade and bank references, under acceptable privacy practices consistent with applicable laws.

iNAMiX, LLC provides you the opportunity to agree or decline to give your personal information via the Internet. The company will inform you of the purpose for the collection. Hotcards.com does not intend to transfer your personal information to third parties without your consent, except under the limited conditions described under the discussion entitled Information Sharing and Disclosure below. If you choose to provide us with your personal information, we may transfer that information, within Hotcards.com or to a third party service provider.

Domain Information Collection

Hotcards.com also collects domain information to enable us to analyze how our visitors use this site. This data enables us to become more familiar with which customers visit our site, how often they visit, and what parts of the site they visit most often. Hotcards.com uses this information to improve its Web-based offerings. This information is collected automatically and requires no action on your part.

Use of Cookies and Tracking User Traffic

Some pages on this site may use "cookies" - small files that the site places on your hard drive for identification purposes. A cookie file can contain information such as a user ID to track the pages visited, but the only personal information a cookie can contain is information you supply yourself. These files are used for site registration and customization the next time you visit us. Some parts of our Web site may also use cookies to track user traffic patterns. Hotcards.com does this in order to determine the usefulness of our Web site information to our users and to see how effective our navigational structure is in helping users reach that information. Please note that cookies cannot read data off of your hard drive. Your Web browser may allow you to be notified when you are receiving a cookie, giving you the choice to accept it or not. If you prefer not to receive cookies while browsing our Web site, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence.

You can also refuse all cookies by turning them off in your browser, by not accepting cookies, some pages may not fully function and you may not be able to access certain information on this site.

Information Sharing and Disclosure

Your personal information is never shared outside iNAMiX, LLC without your permission, except under conditions listed below:

Consenting to share your information to a third party service provider working on our behalf to serve you.

Requiring us to provide you with a product or service.

Requesting up-to-date product announcements, special offers or other information from Hotcards.com or business partners.

Hotcards.com may also disclose your personal information, if required to do so by law, to enforce our Terms of Use, or in urgent circumstances, to protect personal safety, the public or our Web sites.

If you receive unwanted marketing materials from any of our business partners, please let them know that you wish to be removed from their contact list.

Internet Security

iNAMiX, LLC strives to protect your personal information by using 128bit encryption technology; however, we urge you to take every precaution to protect your personal data when you are on the Internet. Change your passwords often, use a combination of letters and numbers, and make sure you use a secure browser.

Protecting the Privacy of Children

Children under 15 years old are not the target audience for our Web site. To protect their privacy, iNAMiX, LLC prohibits the solicitation of personal information from these children.

Links to Third Party Sites

This Web site does not contain links to other sites. iNAMiX, LLC does not share your personal information with those Web sites and is not responsible for their privacy practices. We encourage you to learn about the privacy policies of those companies.

Credit Cards Transactions

iNAMiX, LLC uses 128bit encryption technology using Secure Socket Layers (SSL) while transferring sensitive information from our Web site to the server and vice versa. iNAMiX, LLC will not request to provide your credit card information anywhere else, except while ordering a product.

If your credit card was invalid, a customer service representative will not call you, instead we will update the information on your account pages. You will then be asked to call customer service. We urge you to not provide your credit card information to any unauthorized person.

Changes to this Privacy Policy

iNAMiX, LLC reserves the right to change, modify or update this policy at any time without notice. Any substantial changes in the way we use your personal information will be posted on this site.

If you have questions or concerns about our Privacy Policy, please email us at info@iNAMiX.com
